

Privacy Statement

Jade Communications is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. This Statement of Privacy applies to the Jade Communications website and mobile application (mobile app/app) and governs data collection and usage. By using the website and/or the mobile app, you consent to the data practices described in this statement.

Collection of Your Personal Information

Jade Communications collects personally identifiable information, such as your e-mail address, name, home or work address or telephone number. Jade Communications also collects anonymous demographic information, which is not unique to you, such as your ZIP code, age, gender, preferences, interests and favorites.

Jade Communications also collects and processes information provided directly by you when you install the App and register for an account to use the App. Specifically, this information includes:

- Your name, email address, location, user's phone or contact book data, user's inventory of installed apps, and user's screen recording;
- Browser information and session cookies related to your access and use of the App;
- Data insights Jade Communications attains based on correlation and analytics of your information collected in providing the App, which may be used in aggregated and dis-aggregated formats or to obtain trend analytics, to provide the App; and
- Use of the above-described collected information in aggregated and dis-aggregated formats to enhance our current App or to provide App features.

There is also information about your computer hardware and software that is automatically collected by Jade Communications. This information can include: your IP address, browser type, domain names, access times and referring Web site addresses. This information is used by Jade Communications for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Jade Communications Web site.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through Jade Communications public message boards, this information may be collected and used by others. Note: Jade Communications does not read any of your private online Communications.

Jade Communications encourages you to review the privacy statements of Web sites you choose to link to from Jade Communications so that you can understand how those Web sites collect, use and share your information. Jade Communications is not responsible for the privacy statements or other content on Web sites outside of the Jade Communications and Jade Communications family of Web sites.

Use of Your Personal Information

Jade Communications collects and uses your personal information to operate the Jade Communications Web site and deliver the services you have requested. Jade Communications also uses your personally identifiable information to inform you of other products or services available from Jade Communications and its affiliates. Jade Communications may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

Jade Communications does not sell, rent or lease its customer lists to third parties. Jade Communications may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party. In addition, Jade Communications may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Jade Communications, and they are required to maintain the confidentiality of your information.

Jade Communications does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.

Jade Communications keeps track of the Web sites and pages our customers visit within Jade Communications, in order to determine what Jade Communications services are the most popular. This data is used to deliver customized content and advertising within Jade Communications to customers whose behavior indicates that they are interested in a particular subject area.

Jade Communications uses the information collected as described in this Privacy Policy, including personal information, to:

- Provide you with the App as described in the Agreement;
- Implement, improve and/or enhance the App, including to make future releases available to you;
- Carry out Jade Communications' obligations as described or authorized in the Agreement and this Privacy Policy;
- Enforce Jade Communications rights arising from the Agreement between you and Jade Communications; and
- Fulfill any other purpose authorized by you and reasonably required for the App.

Jade Communications Web sites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Jade Communications or the site; (b) protect and defend the rights or property of Jade Communications; and, (c) act under exigent circumstances to protect the personal safety of users of Jade Communications, or the public.

Use of Cookies

The Jade Communications website use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a Web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize Jade Communications pages, or register with Jade Communications site or services, a cookie helps Jade Communications to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Jade Communications Web site, the information you previously provided

can be retrieved, so you can easily use the Jade Communications features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Jade Communications services or Web sites you visit.

Security of Your Personal Information

Jade Communications secures your personal information from unauthorized access, use or disclosure. Jade Communications secures the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other Web sites, it is protected through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

Indemnity

User agrees to indemnify and hold harmless Jade and its affiliates from any claim, liability, loss, damage, cost or expense including, without limitation, reasonable attorney's fees arising out of or related to use of the Service, any materials downloaded or uploaded through the Service, any actions taken in connection with use of the Service, any violation of any third party's rights, any violation of any law or any breach of this AUP. This section shall not be construed to limit or exclude any other claims or remedies that Jade may assert under this AUP or by law.

Changes to this Statement

Jade Communications will occasionally update this Statement of Privacy to reflect company and customer feedback. Jade Communications encourages you to periodically review this Statement to be informed of how Jade Communications is protecting your information.

Contact Information

Jade Communications welcomes your comments regarding this Statement of Privacy. If you believe that Jade Communications has not adhered to this Statement, please contact us. We will use commercially reasonable efforts to promptly determine and remedy the problem.
